RE: Letter of Recommendation for Captain Ralph "Monk" Daniel

To Whom It May Concern

I have known and worked with Ralph Daniel for fifteen years. It is without hesitation that I highly recommend him for any position in the diving industry. Over the time I've known him, Ralph has been highly involved in every aspect of recreational diving, from training students and instructors to captaining live-aboard yachts. He has shown time and again the drive and ability to lead many diverse projects to success. Ralph has trained hundreds of divers and instructors in the time that I have known him and he is uniformly respected, admired, and trusted by those he has trained and those he has worked with. The best recommendation that I can give regarding Ralph is to relay the following; it is well known in the industry that divers trained by Ralph Daniel are some of the best and safest divers in the water.

Any endeavor you choose would only be enhanced by Ralph's inclusion and I thank you for the opportunity to provide my thoughts.

Sincerely,
Kevin Walters
