Re: Letter of Recommendation for Captain Monk Daniel

To Whom It May Concern:

I have known Captain Monk Daniel as both a business associate and a friend for more than fifteen years. Monk is a bright and personable individual. He is highly self-motivated and well capable of achieving any goal he sets his mind to. His experience in the scuba industry as an instructor and a business owner provides the tools and knowledge necessary to grow any venture he chooses into a successful and profitable business.

Captain Monk is a people oriented person who brings knowledge, experience, and leadership skills to all he does. I cannot say enough good things about him.

If you would like additional information about Monk, please feel free to contact me via email at ralph@refrench.com or telephone me at 972.547.4266.

Sincerely,
