To whom it may concern:

Captain Ralph "Monk" Daniel has asked me to write a letter of recommendation. I am happy to honor the request.

I have known Capt. Monk personally and professionally for 12 years. He has been teaching and working with young adults as a leader and mentor for as long as I have known him. He is well liked by his students and does an incredible job of teaching. Monk is also well liked by his peers and undertakes all tasks given to him.

Captain Monk runs an excellent program and puts 110% of effort into everything he does. If given the opportunity, I would not hesitate to work with him again.

If I can give additional information, don't hesitate to ask.

Sincerely,

John McIntyre
