

Camp/Travel Protection Plan

PLEASE READ AND COMPLETE THE FORM BELOW REGARDLESS OF WHETHER OR NOT YOU PLAN TO PURCHASE A TRAVEL PROTECTION PLAN.

Because your program payments are NOT refundable after your deposit is tendered please view Terms & Conditions here, <https://www.seatrekbvi.com/register/?step2=1> for full tuition refund details, we encourage ALL families to purchase a camp/travel protection plan that includes trip cancellation coverage. We make available an optional plan for our participants to purchase, A+ Program Protection.

The A+ Program Protection may provide coverage for participants who are forced to cancel, delay, or interrupt their participation in the program as a result of sickness, injury, or certain other covered reasons. If an A+ Program is purchased, you will receive a link to your state-specific Program Document which describes the Program provisions in detail.

If A+ receives your program payment before your final tuition payment to your program: 1) the pre-existing conditions exclusion will be waived, provided you are not disabled from travel at the time the program payment is made. You may also cancel the Program by giving Trip Mate, the program administrator, written notice within 10 days of purchasing the Program Protection. If you do this, Trip Mate will refund the program payment provided you have not filed a claim under the Program Protection and the participant has not departed for their trip. Caveat: because terms and conditions in the plan can vary considerably from state to state, please call the administrator to understand how the Program will work in your state of residence.

Please go to: <https://aplusplans.com/index.php/consumer/portal/strk11> for details of the program provisions and exclusions.
